Narrative:

At 09:04 the Eau Claire Fire Department was dispatched to a fire in a single family residence on Revere Street. We arrived to find a working structure fire and all occupants out of the home.

Several lines were pulled to extinguish the fire. No exposures were damaged and there were no injuries.

Because several ECFD units were still working the fire on Bellevue Ave, Township Fire Department was requested to provide mutual aid with an engine and rescue squad to the Revere Street fire scene. Township also staffed TFD Stations #1, #2 and Brunswick stations. Altoona FD also staffed rigs in the Altoona fire station as well. During this incident Chippewa Fire District and Altoona responded to another incident in the city on Birch Street.

The structure appears to be a total loss and the fire was started by a 6 year old playing with matches.

The last ECFD unit cleared the scene at 13:48 hours.
