The City of Eau Claire to host a deer hunt on the City Wells property

EAU CLAIRE – To assist with a dense deer population on the City’s north side, the City of Eau Claire, with assistance from the Eau Claire Archery Club, will be holding a managed archery deer hunt on the City Wells field property on the weekends of October 29 – 30 and November 5 – 6.

The City has been issued 16 tags intended to meet deer management goals in the neighborhood surrounding the City Wells fields. This managed hunt is intended for disabled hunters and youth only. Up to four hunters will be occupying a zone of about 43 acres during these hunting dates. The hunting zone will be marked prior to the hunt, and trails leading into the Wells Field property will be posted with notices as well.

More information is available at the City Park and Forestry Offices. If there are questions, patrons should contact the City Park and Forestry at (715) 839-5039.
