Narrative:

The ECFD responded to a report of a structure fire. While all units were still en route an update from the Comm Center stated the trailer had been evacuated. E10 arrived first and found there was a fire in the kitchen area. A hose line was deployed and the fire extinguished. The fire was contained to the kitchen area. The occupants, a mother and her two children, escape with no injuries. The probable cause was unattended items on the stove while cooking.
