News Media Report

Narrative:

At 08:40 today Eau Claire Fire and Rescue responded to a fire alarm at 208 Chestnut Street. Upon arrival crews discovered an equipment fire which was resulting in a large amount of smoke in the building.

A first alarm structure fire dispatch was requested for personnel and equipment to mitigate the situation.

The fire was contained to the equipment and area of origin. The large amount of smoke needed to be vented from the building.

No injuries were reported as a result of this incident.

The incident remains under investigation.
