Eau Claire Fire & Rescue

News Media Report

Narrative:

The Eau Claire Fire Department responded to a house fire at 1616 State St. after a passerby reported seeing flames coming from the house.

Firefighters arrived within 3 minutes to find flames coming out the second floor windows of a two story home. A second alarm was called and firefighters made an aggressive fire attack on the fire.

The home was an older style residential built in 1907 and was under renovation and unoccupied.

It took firefighters about an hour to bring the fire under control. The fire was contained to parts of the first and second floors.

One firefighter sustained minor injuries but no treatment was required.

Firefighters were on the scene for about six hours and the fire is still under investigation but does not appear suspicious.

The Eau Claire Fire Department was assisted by Township Fire, Altoona Fire, by staffing there stations.

Eau Claire Police and UWEC Police assisted at the scene with traffic control.
