**Summary:** The ECFD responded to a structure fire in a residential duplex. The fire was brought under control in a relatively short time but the secondary search took an extended time due the collapse of the ceiling. There was 1 fatality with this fire and the name is being withheld pending notifications of relatives. The right side of the duplex had major fire damage and the left side of the duplex had heavy smoke damage. As of 1:30 AM, 6-27-2011 there are still ECFD and ECPD Officers on scene investigating the fire.

The Tenants from 4120 Paula Place have found other accommodations for the night.
