## News Media Report

### **Narrative:**

Eau Claire Fire Department was dispatched for a possible structure fire at 300 Williams Street, a 25-unit apartment building. First arriving units confirmed a fire in a second floor bedroom. The building was searched and all residents were evacuated from the building. The fire was confined to the room of origin. Damage consisted of room contents and smoke damage on the second floor. Damage is estimated at \$1500. Residents were allowed back into their apartments once smoke and toxic products of combustion were ventilated. The cause of the fire is under investigation. Eau Claire Police Department assisted in evacuating the residents to safety.
