## News Media Report

### **Narrative:**

The Eau Claire Fire Department responded to a report of a person(s) in the river with an overturned kayak.

Two individuals were located on shore at the confluence of the Eau Claire and Chippewa Rivers. We were informed that one individual had their kayak overturn and was assisted to shore by another individual in a separate kayak.

Neither required medical care or further assistance.

Caution is always advised when partaking in recreational activities in or near the rivers, particularly when water levels are high.

*Officer: Battalion Chief Steve Vargo*  
*Eau Claire Fire Department*
