Eau Claire Fire & Rescue

News Media Report

Narrative:

At 16:26 the Eau Claire Fire Department was dispatched to a gas leak in the 2300 block of State Street. Contractors working on the State Street project had hit a gas line in the road with a backhoe. The gas line was a 8 inch steel high pressure line. Homes within a 2 to 3 block radius were evacuated, 134 homes in total and several businesses along Clairemont and Patton Streets. Eau Police closed off Clairemont Avenue and surrounding streets for about an hour. At 1733 Excel Energy had the leak closed off and residents were allowed back in their homes. There were no injuries reported.

*Officer: Battalion Chief Joe Kelly
