## **Wilson Park Fountain Public Workshop**

**Thursday, December 19, 2019**

**5:00pm to 7:00pm**

**Eau Claire City Hall - North Conference Room  
203 South Farwell Street, Eau Claire, WI 54702**

The City of Eau Claire is excited to announce the third and final public workshop for a new Wilson Park water feature! A draft design of the water feature will be presented at the third workshop. Feedback from the first two workshops, as well as two online public surveys, is being used in the creation of the draft design.

The December 19 event is the last scheduled workshop where residents are being invited to provide feedback on the draft water feature design. Feedback from the third workshop will be used to make adjustments for a final design concept.

A page has been created on the City's website that is a central point for information on the project, and it can be found at [eauclairewi.gov/government/our-divisions/wilson-park-fountain](http://eauclairewi.gov/government/our-divisions/wilson-park-fountain).

For more information, call the Community Services Department at 715-839-5039 or email Josh Solinger at [joshua.solinger@eauclairewi.gov](mailto:joshua.solinger@eauclairewi.gov).
