## **Lake Street Milling and Asphalt Paving Project**

### **Lake Street Milling & Asphalt Paving Project to Begin 7/06/20**

**Thursday, July 2, 2020, 12:25 p.m.**

Construction on Lake Street, from Second Avenue to Fifth Avenue, is scheduled to begin on Monday, July 6<sup>th</sup>. The contractor for the \$500,000 improvement project is Haas Sons, Inc. of Thorp, Wisconsin.

Construction on Lake Street will include:

- (1) Milling 2-inches of bituminous pavement
- (2) Spot repair of curb and gutter, sidewalk, and driveway approaches
- (3) Restoration adjacent to concrete repairs
- (4) Paving 2-inch asphaltic concrete surface
- (5) Placement of epoxy pavement markings
- (6) Setting up and maintaining detour during milling and surfacing

A detour will be set on Monday, July 6<sup>th</sup> using 1<sup>st</sup> Avenue, Water Street and 5<sup>th</sup> Avenue to complete utility connections on Lake Street at 2<sup>nd</sup> Avenue (see attached map). Spot repairs along Lake Street will be completed under traffic during this same timeframe. The detour will again be active when milling, paving, and pavement marking operations are scheduled.

Anticipated completion date of the project with the road being open to traffic is August 5, 2020.

Further information is available on the City's website at [www.eauclairewi.gov](http://www.eauclairewi.gov) or contact the City of Eau Claire, Engineering Department at 715-839-4934.
