FOR IMMEDIATE RELEASE

February 2, 2021

The Eau Claire City Council extended an offer of employment to one of the candidates for City Manager interviewed on January 14 and 15, 2021. That candidate informed the City yesterday that they have accepted a competing offer of employment from another municipality. The City Council will meet in closed session next week with Baker Tilly, the City's search consultant, to determine next steps going forward. The City Council remains committed to working alongside City staff, the residents of Eau Claire and our community partners in the search and selection of Eau Claire's next City Manager.

Further information with respect to the City Manager search process can be obtained by contacting Council President Terry Weld at (715) 456-8080.
