Strut Your Mutt

EAU CLAIRE – Celebrate National Pet Week with Eau Claire Parks, Recreation and Forestry by attending the **Strut Your Mutt** event Thursday, May 6, 6:00-8:00pm at Hobbs Boat Landing and Chippewa Valley Bike Trail.

Whether companion, confidant, or protector, our dogs are always there for us! National Pet Week celebrates this bond and encourages pet owner to be certain to provide their best friends with everything needed for a happy, healthy life.

The Strut Your Mutt event is a coordinated effort between ECPRF and various vendors to celebrate the canine loved ones that enrich our lives. Vendor information booths, raffles, nail trimming, swag gear, coupons, massages, and more will be available to pet owners throughout the evening.

Take a walk along the trail and venture to the boat landing below Hobbs Ice Arena to meet friends, family, and vendors who want to celebrate your pet with you!

These partnering agencies wish to encourage responsible pet care every day of the year:

*Barks and Recreation, Tri-Paw'd Pet Care, Pet Food Plus, Your Dogs Gym,
Paws and Claws, EmBark, Dogtopia, Loving Touch Pet Spa and Training,
Elite Performance Therapeutic Massage.*

If there are questions, patrons should contact the Eau Claire Parks, Recreation & Forestry Department at (715) 839-5032.
