The Towns of Wheaton and Union, City of Eau Claire, and Chippewa and Eau Claire Counties are holding a Public Involvement Meeting for official mapping of County Highway T (CTH T) from State Highway 312 (STH 312) to State Highway 29 (STH 29). A map of the project location is attached.

An official map shows the locations of planned future public lands and facilities such as streets, trails, parks, and open space. As new development continues to be constructed and traffic continues to increase along this corridor, the above-mentioned communities and two counties are planning for a possible increase in the number of travel lanes.
