PUBLIC NOTICE

PLEASE TAKE NOTICE that members of the City Council of the City of Eau Claire will be attending the Chamber of Commerce Referendum Forum beginning at 10 a.m. on Monday, October 17, 2022 at the Pablo Center at the Confluence, 128 Graham Avenue, Eau Claire.

From the Chamber of Commerce: "We've invited City Council President Terry Weld, School Board President Tim Nordin, and top staff members of both the City and School District to provide information and answer questions about what's on the ballot, tax implications for property owners, and how the additional revenue would be used. This is a valuable opportunity to get an apples-to-apples understanding of both proposals so you can make informed voting decisions."

Further details and registration are available through the Eau Claire Area Chamber of Commerce. This notice is given pursuant to the provisions of Subchapter V of Chapter 19 of the Wisconsin Statutes.
