The incident occurred on April 6, 2023, at S8475 Balsam Road, in Eau Claire County. Three personnel, assigned to Station 6, responded with Medic 6, a paramedic level ambulance company. Medic 6's initial assignment was to provide Emergency Medical Services; however, upon their arrival, the company quickly discovered that an imminent rescue of a child was required. Medic 6 immediately initiated and completed the rescue and subsequently treated and transported the patient to a local hospital. The rescue operation and transport service occurred within 15 minutes of arriving on-scene.

Administration
