**We recommend testing your well water every 15 months (and at least once for metals) to make sure your drinking water is safe for you and your family.**

*Testing is as easy as 1-2-3!*

1. Pick up a sample kit at the Health Department (720 2nd Ave., Eau Claire)
2. Fill it up at your home following instructions.
3. Return the sample and payment to the Health Department between September 9th-19th for discounted testing. Results will be emailed/mailed.
