NARRATIVE:

At approximately 8:02PM on Wednesday October 9th the Eau Claire Fire Department responded to a report of a fully involved garage fire. Upon Engine 2's arrival they confirmed a working fire in a detached garage with no exposures. Engine 2's crew worked quickly to deploy an attack line and had the fire knocked down and under control within minutes. Later arriving crews worked to secure a water supply, perform searches, and complete salvage/overhaul procedures. An ECFD inspector was requested for the investigation which is pending at the time of this release. Owner / occupants were home at the time of the fire and alerted by neighbors. No injuries were reported. ECFD was assisted by the Eau Claire Communications Center and Eau Claire Police Department. The incident remains under investigation.
