

# City of Eau Claire Refuse Disposal and Collection Regulations

If you live in a complex of more than 2 apartments, totes can't be visible from any street.

Alleyway collection is the recommended method of pickup.  
Contact licensed refuse hauler for options.

Lids on garbage totes must be kept closed.

All garbage and recycling totes must be stored behind dwelling setbacks, not in front yards or on a front porch.

Garbage and recycling totes for curbside collection cannot be placed curbside earlier than 5 p.m. on the night before pick-up and must be removed the same day as collection.

Only totes provided by licensed refuse haulers can be placed curbside for pick-up.
