## News Media Report

### **Narrative:**

At 08:35pm the Eau Claire Fire Department responded to a report of a structure fire at 533 Niagara St.

When firefighters arrived on scene they encounter dark black smoke banked down to the floor of the home. All the occupants had made their way out of the house.

Firefighters made their way into the home and found a fire in the basement. The fire was quickly extinguished by firefighters.

The occupants of the home stated they were at home when they heard the smoke alarm going off in the basement. One of the occupants went to investigate and found a fire in the basement. He then had all the occupants evacuate the home and called 911.

Two of the occupants were treated on scene by fire department paramedics for smoke related problems.

The probable cause of the fire is a dehumidifier in the basement.
